## Purchasing News

### Procurement Policy BFB-BUS-43 Changes

Periodically, the UC Office of the President reviews various policies and makes modifications as needed. The procurement policy, [BUS-43](#), was most recently updated as of November 2017. Please note three of the main changes made.

- Updated [Purchasing Agreement](#)
- Updated [Sole Source Justification](#) Form
- New Pre-Hire Worksheet for independent contractors (coming soon)

Please reach out to [Procurement Services](#) with any questions.

## Strategic Sourcing

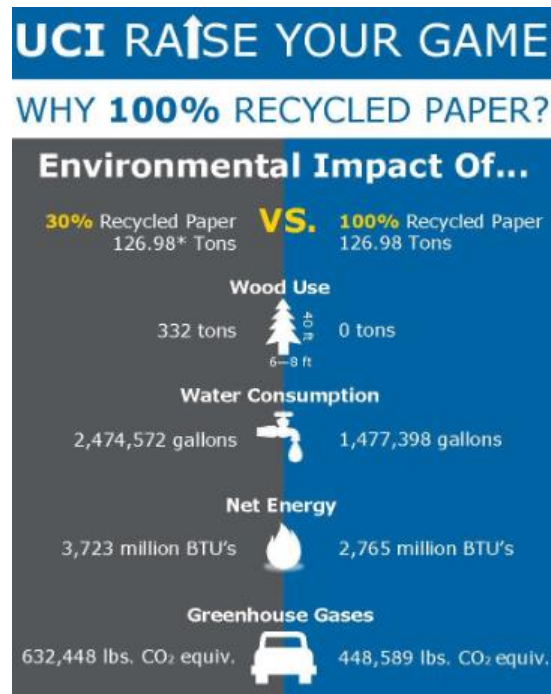

### Reminder—Use 100% Recycled Copy Paper

Your department can truly afford to be sustainable! Through contracted pricing, cost-neutral availability allows for the purchase of 100% post-consumer waste (PCW) recycled paper at the same price, if not lower

Use one of the following purchasing methods to expedite workflow!

- [UCIBuy](#)
- [PALCard](#)

than 30% PCW recycled paper. Check out Boise Aspen 100 offered through Office Depot.

If you have any questions, please contact the [Procurement Services](#) office.

Tax ID number: 95-2226406

Dunn & Bradstreet number: 003985512

## Drone Purchases with PALCard

When purchasing a DRONE/Unmanned-Aircraft System with PALCard, be sure to contact [dronesafety@uci.edu](mailto:dronesafety@uci.edu). Please see the following communication from EH&S and Risk Services.

### UCI Drone Safety

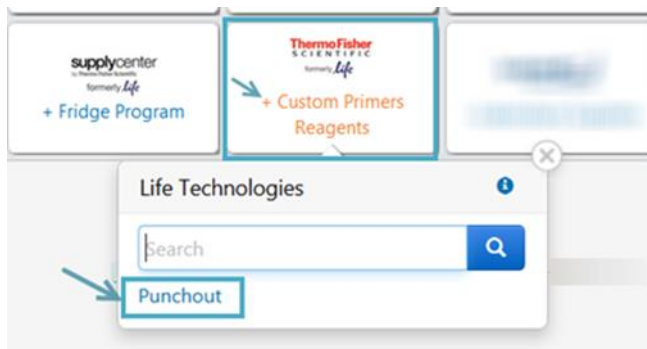

It's a bird...it's a plane... it's a DRONE/Unmanned Aircraft System! Our campus is constantly evolving to the latest and greatest tools and Drones have become one of them. Our Engineering students are building them, our graduate students are using them to collect data overseas, and our Strategic Communications department has been using Drones to gather footage of our campus! EH&S and Risk Services has developed a UCI Program for Drone use on our campus. You can submit a flight request by going to <https://ehs.ucop.edu>, register your drone and yourself as a pilot then submit a flight request for EH&S and RS review. If you have any questions, please do not hesitate to email [dronesafety@uci.edu](mailto:dronesafety@uci.edu) or call EH&S and RS Front Desk 949-824-6200.

If you have any questions, please contact the [PALCard team](#).

## UCIBUY

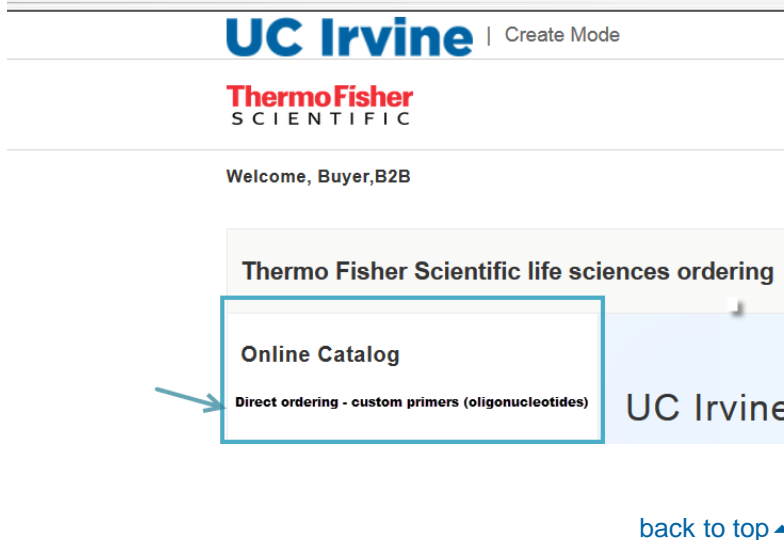

### New ThermoFisher Configurables Punchout

The new ThermoFisher (formerly Life Technologies) Configurables Punchout in [UCIBuy](#) allows researchers to enjoy **Free Shipping** when ordering **Custom Primers (Oligonucleotides)** through the site.

Items ordered through the existing Hosted Catalog receive lowered shipping rates of **\$9.00** per order. Flat rate fees for Hazardous/\$23.95 and Dry Ice/\$19.95 still apply.

## Contract Services

### CalUsource Tool

Our Central Procurement office was recently trained on the new CalUsource tool (SMART by GEP), a fully integrated web-based Procurement solution for Sourcing, Contracting, and Spend that is creating greater collaboration and efficiencies across the University of California and California State University systems. The system will provide:

- More visibility
- Better tracking
- More resources
- Better lookup features

We are evaluating our current processes and potential improvements for the campus that we can incorporate with this tool.

Stay tuned for more updates!

## Equipment Management

### Peter's Exchange

Have you used Peter's Exchange recently? [Peter's Exchange](#) enables departments to free up space and conserve resources, while diverting waste from landfills. Departments can

even store items until they sell. If interested, click the following link to access the [free surplus pick up form](#).

## Training

### Stop By And Say Hi

Please stop by our booth on May 16, 2018 at the Wellness and Safety Fair to see how we can help save your department time and money.

See you there!
